

CS 321: Introduction to HCI

Methods for Design, Prototyping and Evaluating User Interaction

Lecture 19:
Paper Prototyping Activity

Eren Gultepe
SIUE

Group Activity (35 min)

Begin to plan-out the construct of your paper prototype. Please have material such as paper, scissors, etc. ready.

This is to help you get started on your **3A** submission.

I will check-in with individual groups.
Please have a ~30sec pitch ready.
